**Re: WT Docket No. 07-195 – Notification of Oral Ex Parte Presentation**

Dear Ms. Dortch:

On February 11, 2008, Dr. Paul J. Kolodzy, Senior Technology Advisor to M2Z and the undersigned met with Mr. Aaron Goldberger, Legal Advisor to Chairman Kevin J. Martin to discuss the AWS-3 rulemaking proceeding. During the visit, we explored issues raised in M2Z's other recent ex parte presentations. In particular, we emphasized that the record in Docket 07-195 supports the adoption of flexible and technically neutral service rules for licensed services in the 2155-2175 MHz band along with meaningful public interest obligations for the eventual licensee.

Pursuant to Section 1.1206(b) of the Commission rules, an electronic copy of this letter is being filed. Please let me know if you have any questions regarding this submission.

Sincerely,
